

# STARFLEET SCHOLARSHIP PROGRAM

## We Want YOU!

All NON-STARFLEET members are eligible to apply for one of two (2) scholarships to help you continue or begin your studies at community colleges, four-year colleges, most technical schools, junior colleges, universities, graduate schools, or any other accredited institution/organization that offers a certificate/diploma or degree program. The scholarships may be split each year, half going for the fall semester and the remaining half for the spring. (If your school does not run on a traditional calendar, note that on the application.)

The application period runs from January 1 until June 1 each year. All scholarships will be announced via all STARFLEET's communications platforms by August 1<sup>st</sup>. After the announcement has been made, the scholarship award winners will be notified, and checks will be mailed directly to the schools to be used toward tuition, books, fees, loans, and/or other school necessities. All applications must be received by June 1<sup>st</sup> - the Application Deadline.
